

CLEVELAND OHIO

We are thrilled to support the NCAA's Read to the Final Four literacy program. This initiative focuses on getting 3rd grade students in the 9 counties surrounding the Greater Cleveland area excited about reading through a March Madness style competition.

The program provides participants with new books, prizes and the opportunity for a field trip in April to the Women's Final Four Fan Fest, Tourney Town.

Congratulations to the following schools who have registered as of November 17:
